

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

March 12, 1998

LB 695, 989, 1028, 1109, 1152

SENATOR CROSBY: One minute.

SENATOR CHAMBERS: ...when they no longer can work on the farm they'll work in my business for nothing; I don't even have to pay them minimum wage but, by God, they've got pride; they're so proud it makes them stupid and they work for less money than is necessary to support their families. That's the image that is to be portrayed. Whether it's true or not I don't know, but I'm looking at those who can be called the representatives of rural Nebraska, because they live in that area, selling out the best interests of this state. And there are people with temporary jobs as senators, temporary jobs as senators' helpers who are doing what they can to make what little money they can now, but the future of the state is being mortgaged and it's going to be foreclosed.

SENATOR CROSBY: Thank you, Senator Chambers. Mr. Clerk, do you have items?

CLERK: I do, Madam President. (LB) 1109 is a bill by the Revenue Committee, reported to General File with committee amendments attached. Senator Wehrbein has amendments to 1028 to be printed; Senator Witek to 989; Senator Wickersham to 695. And I have a series of reports received this week that will be on file in the Clerk's Office, available for member review. (See pages 1038-45 of the Legislative Journal.)

Madam President, I have a priority motion. Senator Dierks, excuse me, would move to adjourn until Tuesday, March 17, at 9:00 a.m.

SENATOR CROSBY: You've heard the motion to adjourn until Tuesday, March 17, at 9:00 a.m. All in favor say aye. Opposed no. We are adjourned.
